April 2026

Dear Parent/Carer;

First of all, may I welcome you as the parent or carer of a new student coming to Huntington School this September. We do understand that the transition to secondary school can be worrying for parents and children, but I want to assure you that we will do all we can to ensure that your child makes a positive and supported transition to secondary school.

We ask that you complete the Student Admission Form which can be accessed [here](#) or via the QR code. Please can this be completed by Friday 24th April. We ask that you ensure that all medical information is up to date and that you include at least **two** emergency contact numbers.

We will be in touch shortly with further details regarding transition arrangements when these have been finalised. In the meantime, if you have any further queries, please contact us on transition2026@huntington-ed.org.uk

Yours sincerely

Mrs Kimberley Brown
