Headteacher's Message

Dear Parents and Carers,

We are delighted to share what a positive start our students have made as they return to school this term. It has been wonderful to see their enthusiasm, focus, and readiness to learn. A special mention goes to our new Year 7 students, who have adapted quickly and settled in exceptionally well. Their confidence and eagerness to engage in school life have been truly impressive.

We would also like to extend our congratulations to our Year 11 and Year 13 students on their recent exam outcomes. Their hard work and determination have paid off, and we are incredibly proud of their achievements.

Furthermore, we have had a fantastic uptake to our Sixth Form this year. It's wonderful to see so many students choosing to continue (and in many cases start!) their educational journey with us, and we wish them all every success in this next chapter. We look forward to seeing all they will achieve.

Thank you, as always, for your ongoing support.

If you have any questions or need assistance, please do not hesitate to get in touch.

Warm regards,

Matt Smith

Headteacher

Wed 30th: Y6 Open Evening - **school closes at 12.15pm**

OCTOBER

Tues 6th: Y10 Introduction to GCSEs information evening

Thur 15th: Y7 Tutor Evening - in person

Tues 20th: Flu immunisations

Fri 23rd: School closes for half term

Y6 Open Evening - early finish next Wednesday 30th September

Next **Wednesday is the school Year 6 Open Evening.**

As you know as current parents and carers, this evening is an important one for primary students and their families to be able to come and experience and find out about Huntington School. Therefore, school closes early that day to allow staff and the site team time to prepare the school for the evening.

School will close for students at 12.15pm. Years 7-9 will be released from lessons at 12.10pm and Y10-13 will be released at 12.15pm.

Please note the following important changes on that day:

1. Students will have **periods 1-4 ONLY** that day (no period 5).
2. There is NO lunch service that day. There will be extra sandwiches and paninis made for break time and students can buy lunch at break time. **For those families whose children are eligible for free school meals, please make sure that your child buys their lunch and uses their daily allowance AT BREAK on this day. Remember,** the free toast and jam is also available to all students every morning from 8.15 - 8.30am.
3. Students will go home using their usual method of transport. School buses will all come at 12.10pm ready for students leaving and will likely depart the site by 12.25pm. Any taxis will also be rearranged for this time.

Thank you for your support.

Friends of Huntington School PTFA

Message from the Chair and how to get involved

Hi my name is Tricia, I am the Chair of the PTFA and also a school governor.

I enjoy planning fun events to help raise money for the school - so far we have done a quiz night, a rainbow raffle, run a bar at Haxby carnival and sold refreshments at Matilda the musical. We also worked with the school to put on the Rewards Day in school last term.

Coming up we have a **Family Bingo Night on Thursday 8th October** at 6.30pm (get your tickets on Wisepay under Fundraising) and we're currently planning a **Christmas Craft Fair in school on the evening of Tuesday 1st December** - we are looking for stall holders and food vendors so do get in touch if you want to be involved by emailing **hs.ptfa@gmail.com**.

There's so much more to come, so keep your eyes peeled!

We'd love to have some more members on board, so if you would like to **find out more about joining our PTFA team**, please fill in the form below to register your interest - we will be communicating the date of our next meeting and AGM very soon.

[Raising Money for Huntington School](#)

We also want to let you know/remind you about a couple of ways you can easily help us raise even more money for the school, without having to make a direct donation:

Easyfundraising - thousands of retailers will donate to us whenever you shop with them. Start by going to the [easyfundraising website](#) or app, clicking where you want to shop and checking out - the prices are exactly the same and the retailer sends a percentage of your spend to us via easyfundraising.

Stikins Name Labels - avoid the lost property box by purchasing name labels for your child's belongings using the following link: <https://www.stikins.co.uk/?NAME-LABELS=10353> and when you do, we will receive 30% of the cost of your purchase! Our fundraising code is 10353.

Thank you so much for your support.

Parent/Carer Workshops - your ideas

School would like to put on a variety of parent/carers workshops this year, in conjunction with the Friends of Huntington School, and we would like your input so we can design them according to what you as parents and carers would find most useful for supporting your young people. We have had a few ideas already, but would like to see how popular these workshops might be, and if there are any topics you would like to see covered? Please complete this form: [Parent/Carer Workshops – Fill in form](#) to let us know which of the

following you'd be interested in attending, and if there are any other workshops you'd like to see:

- Online safety and social media
- Mental health and anxiety
- Vaping and substance misuse
- Revision and study skills
- Supporting teenagers' behaviour
- Healthy relationships
- ADHD and autism awareness

Thank you for your help!

Friends of Huntington School

Pre-Loved Uniform

Are you in need of a spare jumper or maybe an item of PE kit?

We know how quickly children grow out of or dirty/damage/lose their uniform, and the Friends of Huntington School would love to help you solve the problem sustainably by seeing if we can find any items from you in our pre-loved uniform store. Just email hs.ptfa@gmail.com to let us know what item and size of uniform you need and your child's name and form, and we'll let you know if we have it in stock. We can then arrange to leave it at main reception for you or your child to collect. If you'd like to donate to the pre-loved uniform store afterwards, you can give an amount of your choosing by finding us under Fundraising on Wisepay.

You can also donate school jumpers, ties and branded PE kit by leaving it in the big plastic box outside main reception. We always wash donated uniform so it is in a good condition for the next child who wears it.

And to help your child's lost items finding their way back to them, don't forget you can use the Stikins labels mentioned above: www.stikins.co.uk. Please use our fundraising code 10353.

Thank you!

Attendance Update

We are aware that there are some issues in using Class Charts to check your child's attendance, as it is not always showing this correctly. This does not mean that we have incorrect information on our school systems. We are in the process of moving to a new system for communicating attendance with you, but until this is up and running, please be assured that we will continue to follow normal protocols regarding unexplained absences. This means you will be called if your child is not in school, unless you have informed us that they will not be attending.

To help us with this, please continue to report absences before 8.30am by logging them on Class Charts, emailing absence@huntington-ed.org.uk or by leaving a voicemail.

Thank you for your support and patience.

Miss Roworth (Attendance Lead) and the Attendance Team

TOGETHER FOR BETTER ATTENDANCE

Every day in school. Every opportunity in life.

Thank you for supporting school attendance in York.

In 2025/26 we've made real progress together – through the hard work and commitment of children, young people, families, schools and partners across the city.

ATTENDANCE IS MEASURED IN THREE WAYS:

OVERALL ABSENCE

The total percentage of possible sessions missed.

PERSISTENT ABSENCE

Below 90% attendance –
19 days (or more) missed in a school year.

SEVERE ABSENCE

Below 50% attendance –
95 days (or more) missed in a school year.

WE ARE PROUD OF OUR PROGRESS

Last year we saw:

Persistent Absence in primary and secondary York schools improved to better than national and regional comparisons, and better than identified similar local areas in the country.

Primary Absence improved to over 95% and returned to almost in line with levels before the pandemic.

Primary Severe Absence improved to be in line with national and regional comparisons.

WHY ATTENDANCE MATTERS

Strong school attendance helps children and young people:

ACHIEVE
ACADEMICALLY

ACCESS
SUPPORT

ENJOY OPPORTUNITIES
WITHIN AND BEYOND SCHOOL

We know not everyone in our city is managing regular, secure attendance and that when children and young people miss school, they miss out.

This is particularly the case for some students with EHCPs and/or who are eligible for Free School Meals.

HOW WE SUPPORT FAMILIES

Our whole system, including schools, work with a **Support First** approach when attendance concerns arise to explore barriers with any family struggling. Actions may include:

Support meetings

School based interventions and assessments

Gaining support from relevant services

Considering short term adaptations within the school day

WORKING TOGETHER MAKES THE DIFFERENCE

School leaders will make every endeavour to work in partnership with families.

We ask you to engage with your school team so we can take a joined up 'team' approach – we know this is what makes the difference.

On rare occasions, where parents and carers do not engage with the support being offered and all attempts to improve this have been exhausted, we have a legal duty to consider formal responses. This includes legal and social care led interventions, but support will always be on offer even after such processes begin.

Please look to work in partnership with your school team, as we expect from them too.

THANK YOU! LET'S MAKE 2026/27 A YEAR OF ATTENDANCE

Everyone working together so no one is left behind on our improvement journey.

But York Music Hub has secured 200 **free tickets** for children and young people to attend what will be a fantastic concert by **York Guildhall Orchestra on 11th October at 3pm at the Barbican, York.**

Tickets are also available for parents to enable their children to attend. Apply for your free tickets [here](#).

Thank you,

Year 8 and Y9 French trip - sign up now!

Parents of students in Year 8 and Year 9 who study French should have received an email this week offering the opportunity for their children to go on the MFL department visit to France, staying at the Château d'Ebbingham, a converted stately home not far from Calais.

This is a fantastic chance for students to use in real life the language they are learning in the classroom, with a visit to a traditional boulangerie, a snail farm, a chocolate workshop and the biggest aquarium in Europe, as well as lots of fun activities in the evenings. Full details are included in the letter.

Please complete and return the online form by the **deadline of 12th October**, or contact Mrs Sketchley (s.sketchley@huntington-ed.org.uk) with any questions.

Plea for empty sweet and biscuit tubs/boxes

The Food Technology department would be very grateful for any empty sweet or biscuit tubs/boxes or Tupperware. Please leave at reception for collection or students can bring to the Food Technology department.

Thank you

Mr G Littlewood

Plea for used trainers - PE department

When your child grows out of their trainers, and if you have no further use for them, the PE department would be very grateful for them to use as spares. If you can, please bring them to main reception in a bag and hand in.

Thank you
